Event Details

Kids Central 2011 Expo, India's only premier Children's Day exhibition turns the World Trade Center into Planet Kids on Sunday. Mumbai's most enjoyable children's and family event is filled with superior entertainment, hands-on fun activities, workshops, newest products and services for kids from toddlers to teens. Not only will kids feel special, but there are several stalls where parents can see first-hand new and exciting products available for their kids. Tattoos, play areas, mascots and lots more.
