Kidding around

Children's Day was celebrated with much gusto at this event, with hundreds of kids and parents happily keeping themselves busy at the numerous stalls sprawled across this SoBo exhibit. Organisers **Toral Shah Kabra** and **Hetal Vashi** were welcoming guests, who seemed thrilled to be attending the interactive platform that was educational as well as fun. Seen at the event was **Shaina NC** with her daughter and son, visiting each stall and having a blast. She was overheard appreciating the platform that served for kids and parents alike. Also spotted at the event was **Parizad Kolah Marshall**, as she browsed through the exhibit with her daughter and husband.

STORK VISITING: Parizad Kolah Marshall definitely had a reason to glow. The TV host who already has a daughter Deanne, is expecting a new addition to her family very soon. We wish the yummy mummy all the best!
